PROXY STATEMENT

Annual Meeting of Stockholders to Be Held on May 22, 2014

The accompanying proxy is being solicited by the Board of Directors (the "Board") of Alexander's, Inc., a Delaware corporation ("we," "us," "our" or the "Company"), for use at the 2014 Annual Meeting of Stockholders of the Company (the "Annual Meeting"). The Annual Meeting will be held on Thursday, May 22, 2014, beginning at 10:00 A.M., local time, at the Saddle Brook Marriott, Interstate 80 and the Garden State Parkway, Saddle Brook, New Jersey 07663. Our principal executive office is located at 210 Route 4 East, Paramus, New Jersey 07652. Our proxy materials, including this Proxy Statement, the Notice of Annual Meeting of Stockholders, the proxy card or voting instruction card and our 2013 Annual Report, are being distributed and made available on or about April 11, 2014.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials to our stockholders on the Internet. Accordingly, a notice of Internet availability of proxy materials will be mailed on or about April 11, 2014 to our stockholders of record as of the close of business on March 24, 2014. Stockholders will have the ability (1) to access the proxy materials, free of charge, on a website referred to in the notice or (2) request a printed set of the proxy materials be sent to them, by following the instructions in the notice. **You will need your 12-digit control number that is included with the notice mailed on or about April 11, 2014 to vote your shares. If you have not received a copy of this notice, please contact our investor relations department at 201-587-1000 or send an e-mail to ircontact@alx-inc.com. If you wish to receive a hard copy of these materials, you may request them at www.proxyvote.com or by dialing 1-800-579-1639 and following the instructions at that website or phone number.**

How do you vote?

You may vote in person at the Annual Meeting or you may authorize a proxy over the Internet (at www.proxyvote.com), by telephone (at 1-800-690-6903) or by executing and returning a proxy card. Once you authorize a proxy, you may revoke that proxy by (1) executing and submitting a later-dated proxy card, (2) subsequently authorizing a proxy through the Internet or by telephone, (3) sending a written revocation of proxy to our Secretary at our office at 888 Seventh Avenue, New York, New York 10019, or (4) attending the Annual Meeting and voting in person. Attending the Annual Meeting without submitting a new proxy or voting in person will not automatically revoke your prior authorization of your proxy. To be effective, later-dated proxy cards, proxies authorized via the Internet or telephone or written revocations of proxies must be received by us by 11:59 P.M., New York City time, on Wednesday, May 21, 2014.

If you hold your common shares in "street name" (that is, through a bank, broker or other nominee), your nominee will not vote your shares unless you provide instructions to your nominee on how to vote your shares. You should instruct your nominee how to vote your shares by following the directions provided by your nominee.

We will pay the cost of soliciting proxies. We have hired MacKenzie Partners, Inc. to solicit proxies at a fee not to exceed \$5,000. In addition to solicitation by mail, by telephone and by e-mail or the Internet, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to their principals, and we may reimburse them for their expenses in so doing. If you hold shares in "street name" (i.e., through a bank, broker or other nominee), you will receive instructions from your nominee, which you must follow in order to have your proxy authorized or you may contact your nominee directly to request these instructions.

Who is entitled to vote?

Only stockholders of record as of the close of business on March 24, 2014 are entitled to notice of, and to vote at, the Annual Meeting. We refer to this date as the "record date." On that date, 5,106,196 common shares, par value \$1.00 per share ("Shares"), were outstanding. Holders of Shares as of the record date are entitled to one vote per share on each matter properly presented at the Annual Meeting.

How do you attend the meeting in person?

If you would like to attend the Annual Meeting in person, you will need to bring an account statement or other acceptable evidence of ownership of your Shares as of the close of business on the record date. If you hold Shares in street name and wish to vote in person at the Annual Meeting, you will need to contact your bank, broker or other nominee and obtain a proxy from your nominee and bring it to the Annual Meeting.

How will your votes be counted?

The holders of a majority of the outstanding Shares as of the close of business on the record date, present in person or by proxy and entitled to vote, will constitute a quorum for the transaction of business at the Annual Meeting. Any proxy, properly executed and submitted, will be voted as directed and, if no direction is given, will be voted as recommended by the Board of Directors in this Proxy Statement and in discretion of the proxy holder on any other matter that may properly come before the meeting. A broker non-vote and any proxy marked "withhold authority" or an abstention, as applicable, will count for the purposes of determining a quorum, but will have no effect on the result of the vote on the election of directors, the ratification of the appointment of our independent registered public accounting firm or the non-binding advisory vote on executive compensation.

The election of each of our nominees for director requires a plurality of the votes cast at the Annual Meeting. The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm and the non-binding advisory vote on executive compensation each require a majority of the votes cast at the Annual Meeting.

It is the Company's understanding that Interstate Properties ("Interstate"), a New Jersey general partnership (an owner of shopping centers and an investor in securities and partnerships), Interstate's general partners, and Vornado Realty Trust ("Vornado"), who, as of March 24, 2014, own, in the aggregate, approximately 59% of the outstanding Shares, will vote (1) for the approval of the election of the nominees listed in this Proxy Statement for directors, (2) for the ratification of the appointment of the Company's independent registered public accounting firm and (3) for the advisory vote to approve executive compensation, and, therefore, it is likely that these matters will be approved.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board currently has seven members. Our Bylaws provide that our directors are divided into three classes, as nearly equal in number as reasonably possible, as determined by the Board. One class of directors is elected at each Annual Meeting to hold office for a term of three years (until the applicable Annual Meeting of Stockholders in that third year) and until their respective successors have been duly elected and qualified.

Unless otherwise directed in the proxy, each of the persons named in the attached proxy will vote such proxy for the election of the two nominees listed below as Class II directors. If any nominee at the time of election is unavailable to serve, it is intended that each of the persons named in the proxy will vote for an alternative nominee who will be nominated by the Board. Alternatively, the Board may reduce the size of the Board and the number of nominees. Proxies may be voted only for the nominees named or such alternates. We do not currently anticipate that any nominee for directors will be unable to serve as a director.

The Board of Directors recommends that stockholders vote "FOR" approval of the election of the nominees listed below to serve as Class II directors until 2017 and until their respective successors have been duly elected and qualified.

Under our Bylaws, the affirmative vote of a plurality of votes present in person or represented by proxy at the Annual Meeting and entitled to vote for the election of directors, if a quorum is present, is sufficient to elect a director. Proxies marked "withhold authority" will be counted for the purpose of determining the presence of a quorum but will have no effect on the result of the vote. A broker non-vote will have no effect on the result of the vote.

The following table sets forth the nominees (all of whom are presently members of the Board) and other present members of the Board who will continue on the Board following the Annual Meeting, together with a brief biography for each such person and the year in which the person became a director of the Company.

We are not aware of any family relationships among any directors or executive officers of the Company or persons nominated or chosen by the Company to become directors or executive officers.

For information about other relationships among directors or our executive officers, please see "Certain Relationships and Related Transactions" below.

Corporate Governance

Our Shares are listed for trading with The New York Stock Exchange, Inc. (the "NYSE") and we are subject to the NYSE's Corporate Governance Standards. However, because more than 51% of our Shares are owned by a "group" consisting of Interstate and Vornado, as well as Interstate's general partners, the Company is a "controlled" company and therefore, is exempt from some of the NYSE Corporate Governance Standards. In the Company's case, this means, among other things, that we are not required to have a nominating committee or, even though our Compensation Committee and Board meets these requirements, that we have a fully independent Compensation Committee or that a majority of directors be independent under the NYSE rules.

The Board has determined that Messrs. DiBenedetto, Mandelbaum, Sonnenblick, Underberg, Wight and Dr. West are independent for the purposes of the NYSE Corporate Governance Standards. Accordingly, six out of our seven directors are independent. The Board reached this conclusion after considering all applicable relationships between or among such directors and the Company or management of the Company. These relationships are described in the section of this Proxy Statement entitled "Certain Relationships and Related Transactions." The Board further determined that such directors meet all of the "bright-line" requirements of the NYSE Corporate Governance Standards as well as the categorical standards adopted by the Board in our Corporate Governance Guidelines.

As part of its commitment to good corporate governance, the Board of Directors has adopted the following committee charters and policies:

- Audit Committee Charter
- Compensation Committee Charter
- Corporate Governance Guidelines (Attached as Annex A)
- Code of Business Conduct and Ethics

We have made available on our website (www.alx-inc.com) copies of these charters, guidelines and policies. We will post any future changes to these charters, guidelines or policies to our website and may not otherwise publicly file such changes. Our regular filings with the SEC and our directors' and executive officers' filings under Section 16(a) of the Securities Exchange Act of 1934, as amended, are also available on our website. In addition, copies of these charters, guidelines and policies are available free of charge from the Company upon written request. Requests should be sent to our investor relations department at our principal executive office.

The Code of Business Conduct and Ethics applies to all of our directors, executives and other employees.

Committees of the Board of Directors

The Board has an Executive Committee, an Audit Committee and a Compensation Committee. The Board does not have a Nominating Committee.

The Board held seven meetings during 2013. Each director attended at least 75% of the meetings of the Board and all committees on which he served during 2013.

In addition to full meetings of the Board, non-management, independent directors met three times in sessions without members of management present. During these meetings, the independent directors selected their own presiding member.

Executive Committee

The Executive Committee possesses and may exercise all the authority and powers of the Board in the management of the business and affairs of the Company, except those reserved to the Board by the Delaware General Corporation Law. The Executive Committee consists of three members: Messrs. Roth and Wight and Dr. West. Mr. Roth is the Chairman of the Executive Committee. The Executive Committee did not meet in 2013.

Audit Committee

The Audit Committee, which held four meetings during 2013, consists of three members, Messrs. DiBenedetto, Sonnenblick and Dr. West. The Board has determined that these three directors are independent for the purposes of the NYSE Corporate Governance Standards, that they meet the additional requirements of independence for serving on the Audit Committee in accordance with the rules and regulations promulgated by the SEC and that they meet the financial literacy standards of the NYSE. Dr. West is the Chairman of the Audit Committee.

In addition, at all times at least one member of the Audit Committee has met the NYSE standards for financial management expertise. The Board has determined that Dr. West is qualified to serve as an "audit committee financial expert," as defined by SEC Regulation S-K, and thus has at least one such individual serving on its Audit Committee. The Board reached this conclusion based on his relevant experience, as described above under "Proposal 1: Election of Directors."

The Audit Committee's purposes are to: (i) assist the Board in its oversight of (a) the integrity of the Company's financial statements, (b) the Company's compliance with legal and regulatory requirements, (c) the independent registered public accounting firm's qualifications and independence, and (d) the performance of the independent registered public accounting firm and the Company's internal audit function; and (ii) prepare an Audit Committee report as required by the SEC for inclusion in the Company's annual Proxy Statement. The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of our financial statements and for the effectiveness of internal control over financial reporting. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements prior to the filing of each Annual Report on Form 10-K, reviews of our quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q and annually auditing the effectiveness of our internal control over financial reporting, and other procedures. The Board has adopted a written Audit Committee Charter.

Persons interested in contacting our Audit Committee members with regard to accounting, auditing or financial concerns will find information on how to do so on our website (www.alx-inc.com). This means of contact should not be used for solicitations or communications with us of a general nature.

Compensation Committee

The Compensation Committee is responsible for establishing the terms of the compensation of executive officers. The Committee consists of two independent members, Dr. West, as Chairman, and Mr. DiBenedetto. The Compensation Committee did not meet in 2013.

From time to time, the Compensation Committee consults with one or more executive compensation experts. No compensation consultants were engaged by the Compensation Committee or the Company during 2013.

Selection of Directors

The Board is responsible for selecting the nominees for election to our Board. The members of the Board may, in their discretion, work or otherwise consult with members of management of the Company in selecting nominees. The Board evaluates nominees, including stockholder nominees (see "Advance Notice for Stockholder Nominations and Stockholder Proposals"), by considering, among others, the criteria set out in the Company's Corporate Governance Guidelines. Our Board believes that our current leadership structure is appropriate.

Criteria and Diversity

In considering whether to recommend any candidate for election or re-election as a director, including candidates recommended by stockholders, the Board will apply the criteria set forth in our Corporate Governance Guidelines and considers criteria including:

- personal abilities and skills;
- personal qualities and characteristics, accomplishments and reputation in the business community;
- current knowledge and understanding of our industry, other industries relevant to our business and the communities in which we do business;
- ability and willingness to commit adequate time to Board and committee matters;
- the fit of the individual's skills with those of other directors in building a Board that is effective and responsive to the needs of the Company; and
- diversity of viewpoints, experience and other demographics.

Accordingly, in consideration with many other factors, the Board selects nominees with a broad diversity of abilities, experience, professions, skills and backgrounds. The Board does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of members of our Board of Directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

We believe our current nominees for the Board of Directors and the other members of our Board collectively have the abilities, skills and experience to create a board that is well-suited to oversee the management of our Company. Each member has the integrity, business judgment and commitment to our Board and our shareholders that comprise essential characteristics for a director of Alexander's. Our directors also bring to the Board highly developed skills in diverse areas such as finance and investing, accounting, law and the operation of real estate companies and are recognized leaders in their respective fields. In addition, members of the Board have diverse views and experiences that strengthen their ability to guide our Company. In addition, all of our directors have extensive experience serving on the boards, and/or being at the most senior management level, of other public or private organizations. More specifically, each of our directors has extensive experience in the real estate industry generally, and with Alexander's specifically, and is skilled in the investment in and operation of real estate or real estate companies. Dr. West brings extensive experience in financial and accounting oversight. Messrs. DiBenedetto and Sonnenblick each has experience leading other companies and, having been a leading real estate broker, Mr. Sonnenblick has extensive real estate experience. Dr. West has had a lengthy career in academia and as a leader of prominent business schools. Messrs. Mandelbaum and Underberg each has lengthy law firm and real estate experience. Our Board greatly benefits from this robust and diverse set of abilities, skills and experience. For more detail concerning the experience of the members of our Board of Directors, please refer to the biographies of the members that are set forth above.

Leadership Structure

Currently, our Chairman of the Board, Steven Roth, also serves as our Chief Executive Officer. While our Board has determined that a majority of its members are independent for purposes of the listed company standards under the rules and regulations of the NYSE, we do not have an independent lead director. Our Board has determined that this leadership structure is appropriate in light of the circumstances affecting the Company, including its current activities and business strategy. Accordingly, the Board believes it has the best individual serving both roles.

The Board's Role in Risk Oversight

While risk management is primarily the responsibility of the Company's senior management team, the Board of Directors is responsible for the overall supervision of the Company's risk management activities. The Board's oversight of the material risks faced by our Company occurs at both the full Board level and at the committee level. The Board's role in the Company's risk oversight process includes regularly receiving reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives these reports from the appropriate "risk owner" within the organization or in connection with other management-prepared assessments of risk to enable it to understand our risk identification, risk management and risk mitigation strategies. By "risk owner," we mean that person or group of persons who is or are primarily responsible for overseeing a particular risk. As part of its charter, the Audit Committee discusses our policies with respect to risk assessment and risk management and reports to the full Board its conclusions as a partial basis for further discussion by the full Board. This enables the Board and the applicable committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Attendance at Annual Meetings of Stockholders

All of our directors were present at the 2013 Annual Meeting of Stockholders. We do not have a policy with regard to directors' attendance at Annual Meetings of Stockholders.

Persons wishing to contact the independent members of the Board should call (866) 233-4238. A recording of each phone call will be forwarded to one independent member of the Board who sits on the Audit Committee as well as to two members of management who may respond to any such call if a return number is provided. This means of contact should not be used for solicitations or communications with us of a general nature. Information on how to contact us generally is available on our website (www.alx-inc.com).

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership of, and transactions in, our equity securities. Such directors, executive officers and 10% stockholders are also required to furnish us with copies of all Section 16(a) reports they file.

Based solely on a review of the Forms 3, 4 and 5, and any amendments thereto, furnished to us, and on written representations from certain reporting persons, we believe there were no late filings under Section 16(a) by our directors, executive officers and 10% stockholders during 2013.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee is responsible for decisions concerning the performance and compensation of our executive officers and administering our equity-based plans.

Overview of Compensation Philosophy and Program

We are managed by, and our properties are leased and developed by, Vornado, pursuant to agreements, which expire in March of each year, and are automatically renewable. We do not pay cash compensation to any of Vornado's executive officers for services rendered. In lieu of cash compensation and to align their interests with those of our stockholders, our Board has historically determined to compensate our executive officers for their services to us only with equity-based compensation. As of the date of this Proxy Statement, there are no equity-based awards outstanding under our Omnibus Stock Plan to our executive officers (other than in their capacity as directors).

Cash Compensation

None of our executive officers receives a salary or bonus or is otherwise compensated by the Company except in their capacity as directors.

Equity Compensation

We adopted our current Omnibus Stock Plan (the "Plan") in 2006 with the approval of our stockholders. Under the Plan, the Compensation Committee has the authority to grant to members of our management or Board options, restricted shares or units, stock appreciation rights, deferred stock units and other equity-based compensation. In 2013, no equity-based compensation awards were granted to our executive officers (other than in their capacity as directors). As of the date of this Proxy Statement, there are no equity-based awards outstanding under the Plan to our executive officers (other than in their capacity as directors).

To the extent that equity-based awards are granted, grants are effective as of the date of approval by our Compensation Committee at the average of the high and low price of our Shares on the New York Stock Exchange on that date. The Company accounts for all stock-based compensation in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718—*Stock Compensation* ("FASB ASC Topic 718").

Role of Compensation Consultants

From time to time, we and the Compensation Committee consult with one or more executive compensation experts, and consider the compensation levels of other companies in our industry and other industries that compete for the same talent. Our compensation consultants did not participate in current year compensation decisions.

Employment Agreements, Change of Control and Severance Arrangements

There are no employment contracts or severance or change of control arrangements with any of our officers.

Stock Ownership Guidelines

As our senior executives generally have significant direct or indirect personal stakes in our equity, we have not established any policy regarding security ownership by management. In accordance with Federal securities law, we prohibit short sales by our officers of our equity securities.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code, as amended ("Section 162(m)") provides that, in general, publicly traded companies may not deduct, in any taxable year, compensation in excess of \$1,000,000 paid to such companies' chief executive officer and other most highly-compensated executive officers as of the end of any fiscal year which is not "performance based," as defined in Section 162(m). We and the Compensation Committee believe that it is in the best interests of the Company and its stockholders to comply with the limitations of Section 162(m) to the extent practicable and consistent with retaining, attracting and motivating the Company's executive officers. However, to maintain flexibility in compensating executive officers in a manner designed to promote the goals of the Company and its stockholders, we have not adopted a policy that all executive compensation must be deductible. The limitations of Section 162(m) did not apply to the compensation we paid in recent years.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors of Alexander's, Inc. (the "Company") has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K of the Securities and Exchange Commission with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Proxy Statement.

The Compensation Committee of the Board of Directors:

Compensation Committee Interlocks and Insider Participation

The Company has a Compensation Committee consisting of Dr. West and Mr. DiBenedetto. There are no interlocking relationships involving the Company's Board, which require disclosure under the executive compensation rules of the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Person Transactions

We review all relationships and transactions in which the Company and our significant stockholders, directors and our executive officers or their respective immediate family members are participants to determine whether such persons have a direct or indirect material interest. The Company's legal and financial staff are primarily responsible for the development and implementation of processes and controls to obtain information from our significant stockholders, directors and our executive officers with respect to related-person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in our Proxy Statement. In addition, our Audit Committee reviews and approves or ratifies any related-person transaction that is required to be disclosed. The Committee, in the course of its review of a disclosable related-party transaction, considers: (1) the nature of the related person's interest in the transaction; (2) the material terms of the transaction; (3) the importance of the transaction to the related person; (4) the importance of the transaction to the Company; (5) whether the transaction would impair the judgment of a director or executive officer to act in the best interest of the Company; and (6) any other matters the Committee deems appropriate.

Relationship with Vornado

At March 24, 2014, Vornado owned approximately 32% of the Company's outstanding Shares. We are managed by, and our properties are leased and developed by, Vornado, pursuant to the agreements described below, which expire in March of each year and are automatically renewable.

Management and Development Agreements

Pursuant to our management and development agreement with Vornado, we pay Vornado an annual management fee equal to the sum of (i) \$2,800,000, (ii) 2% of gross revenue from the Rego Park II shopping center, (iii) \$0.50 per square foot of the tenant-occupied office and retail space at 731 Lexington Avenue and (iv) \$272,000, escalating at 3% per annum, for managing the common area of 731 Lexington Avenue.

In the event

third-party real estate brokers are used, the fees to Vornado increase by 1% and Vornado is responsible for the fees to the third-party real estate brokers. Vornado is also entitled to a commission upon the sale of any of our assets equal to 3% of gross proceeds, as defined, for asset sales less than \$50,000,000 and 1% of gross proceeds, as defined, for asset sales of \$50,000,000 or more. The total of these amounts is payable in annual installments in an amount not to exceed \$4,000,000, with interest on the unpaid balance at one-year LIBOR plus 1.0% (1.84% at December 31, 2013).

Other Agreements

We also have agreements with Building Maintenance Services, a wholly owned subsidiary of Vornado, to supervise (i) cleaning, engineering and security services at our Lexington Avenue property and (ii) security services at our Rego Park I and Rego Park II properties, for an annual fee of the cost for such services plus 6%.

During the year ended December 31, 2013, we incurred \$2,800,000 in Company management fees, \$1,126,000 in leasing fees and \$3,415,000 in property management and other fees under our agreements with Vornado. At December 31, 2013, we owed Vornado \$42,924,000 for leasing fees and \$383,000 for management, property management and cleaning fees.

In the year ended December 31, 2013, Rosenberg & Estis, P.C., a law firm in which Mr. Underberg, a Director, is a partner, performed legal services for us for which it was paid approximately \$83,000. Mr. Underberg is not directly compensated for fees paid by the Company to this firm.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's purposes are to (i) assist the Board of Directors (the "Board of Directors" or the "Board") of Alexander's, Inc. (the "Company") in its oversight of (a) the integrity of the Company's consolidated financial statements, (b) the Company's compliance with legal and regulatory requirements, (c) the independent registered public accounting firm's qualifications and independence, and (d) the performance of the independent registered public accounting firm and the Company's internal audit function; and (ii) prepare an Audit Committee report as required by the Securities and Exchange Commission (the "SEC") for inclusion in the Company's annual Proxy Statement. The function of the Audit Committee is oversight. The Board, in its business judgment, has determined that all members of the Audit Committee are "independent" as required by the applicable listing standards of the New York Stock Exchange (the "NYSE"), as currently in effect, and in accordance with the rules and regulations promulgated by the SEC. The Board has also determined that each member of the Audit Committee is financially literate and has accounting or related financial management expertise, as such qualifications are defined under the rules of the NYSE and that Dr. West is an "audit committee financial expert" within the meaning of the rules of the SEC. The Audit Committee operates pursuant to an Audit Committee Charter.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the establishment and effectiveness of internal control over financial reporting, and for maintaining appropriate accounting and financial reporting principles and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm, Deloitte & Touche LLP, is responsible for planning and carrying out a proper audit of the Company's annual consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), expressing an opinion as to the conformity of such consolidated financial statements with accounting principles generally accepted in the United States of America and auditing the effectiveness of our internal control over financial reporting.

In performing its oversight role, the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by PCAOB Auditing Standard No. 16, *Communications with Audit Committees*, which supersedes AU380. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Ethics and Independence Rules 3526, *Communication with Audit Committees Concerning Independence*. The Audit Committee has also discussed with the independent registered public accounting firm its independence. The independent registered public accounting firm has free access to the Audit Committee to discuss any matters it deems appropriate.

Based on the reports and discussions described in the preceding paragraph, and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter in effect during 2013, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2013.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting

firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's consolidated financial statements has been carried out in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), that the consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that Deloitte & Touche LLP is in fact "independent" or the effectiveness of the Company's internal controls.

DR. RICHARD R. WEST
THOMAS R. DIBENEDETTO
ARTHUR I. SONNENBLICK

**PROPOSAL 2: RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, the "Deloitte Entities") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014. This selection is as a result of a process most recently undertaken in 2008 by which the Audit Committee and management solicited and received proposals from and met with and interviewed several other independent registered public accounting firms. The Audit Committee initiated this process after consultation with management because it determined that there were possible benefits to be considered with regard to cost, audit firm independence and obtaining a fresh look at the Company's financial accounting and internal controls processes. This process was not related to the quality of services provided by the Deloitte Entities. After consideration of each of the proposals, the Audit Committee retained the Deloitte Entities as the Company's independent registered public accounting firm and has determined to continue that retention for 2014. As a matter of good corporate governance, the Audit Committee has chosen to submit its selection to stockholders for ratification. In the event that this selection of a registered public accounting firm is not ratified by a majority of the Shares present or represented by proxy at the Annual Meeting, the Audit Committee will review its future selection of a registered public accounting firm but will retain all rights of selection.

We expect that representatives of Deloitte Entities will be present at the Annual Meeting. They will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

Audit Fees

The aggregate fees billed by Deloitte Entities for the years ended December 31, 2013 and 2012 for professional services rendered for the audits of the Company's annual consolidated financial statements included in the Company's Annual Report on Form 10-K, for the reviews of the interim consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q and reviews of other filings or registration statements under the Securities Act of 1933 and Securities Exchange Act of 1934 during those fiscal years were \$369,580 and \$472,816, respectively.

Audit-Related Fees

The aggregate fees billed by Deloitte Entities for the years ended December 31, 2013 and 2012 for professional services rendered that are related to the performance of the audits or reviews of the Company's consolidated financial statements which are not reported above under "Audit Fees" were \$203,932 and \$206,490, respectively. "Audit-Related Fees" include fees for stand-alone audits of certain subsidiaries.

Tax Fees

The aggregate fees billed by Deloitte Entities for the years ended December 31, 2013 and 2012 for professional services rendered for tax compliance, advice and planning were \$13,792 and \$13,390, respectively. "Tax Fees" include fees for tax consultations regarding return preparation and REIT tax law compliance.

All Other Fees

There were no other fees billed by Deloitte Entities for the years ended December 31, 2013 and 2012 for professional services rendered other than those described above.

Pre-approval Policies and Procedures

In May 2003, the Audit Committee established the following policies and procedures for approving all professional services rendered by Deloitte Entities. The Audit Committee generally reviews and approves engagement letters for the services described above under "Audit Fees" before the provision of those services commences. For all other services, the Audit Committee has detailed policies and procedures pursuant to which it has pre-approved the use of Deloitte Entities for specific services for which the Audit Committee has set an aggregate quarterly limit of \$50,000 on the amount of services that Deloitte Entities can provide to the Company. Any services not specified that exceed the quarterly limit, or would cause the amount of total other services provided by Deloitte Entities to exceed the quarterly limit, must be approved by the Audit Committee Chairman before the provision of such services commences. The Audit Committee also requires management to provide it with regular quarterly reports of the amount of services provided by Deloitte Entities. Since the adoption of such policies and procedures, all such fees were approved by the Audit Committee in accordance therewith.

The Board of Directors recommends that you vote "FOR" the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2014.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Compensation Discussion and Analysis section appearing earlier in this proxy statement describes our executive compensation program for 2013 with respect to our Chief Executive Officer and other officers named in the Summary Compensation Table (who we refer to as the "Named Executive Officers"). The Board of Directors is asking stockholders to cast a non-binding advisory vote on the following resolution:

Advisory Resolution on Executive Compensation

Resolved: That the stockholders of Alexander's, Inc. (the "Company") approve, in a non-binding resolution, the compensation of the Company's executive officers named in the Summary Compensation Table, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission (which disclosure includes the Compensation Discussion and Analysis, the executive compensation tables and the related footnotes and narrative accompanying the tables).

Supporting Statement: We describe our executive compensation program in the Compensation Discussion and Analysis section of this proxy statement. Other than Directors fees, our compensation for Named Executive Officers has historically consisted of grants of equity under the Company's then effective Omnibus Stock Plan. No such non-Director awards have been made during the years presented in the Summary Compensation Table. The Board believes the historic link between compensation and the achievement of our short- and long-term business goals has helped drive our performance over time. At the same time, we believe our program does not encourage excessive risk-taking by management.

For these reasons, the Board is asking stockholders to support this proposal. While the advisory vote we are asking you to cast is non-binding, the Compensation Committee and the Board value the views of our stockholders and will take into account the outcome of the vote when considering future compensation decisions for our Named Executive Officers.

The Board of Directors unanimously recommends a vote "FOR" the advisory resolution on executive compensation.

The affirmative vote of a majority of all the votes cast on this proposal at the Annual Meeting, assuming a quorum is present, is necessary for approval of this proposal. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will count towards the presence of a quorum. Stockholder approval of this proposal would not be binding upon the Board of Directors.

INCORPORATION BY REFERENCE

To the extent this Proxy Statement is incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, the sections entitled "Compensation Committee Report on Executive Compensation" and "Report of the Audit Committee" (to the extent permitted by the rules of the SEC) will not be incorporated unless provided otherwise in such filing.

ADDITIONAL MATTERS TO COME BEFORE THE MEETING

The Board does not intend to present any other matter, nor does it have any information that any other matter will be brought before the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, it is the intention of the individuals named in the attached proxy to vote said proxy in accordance with their discretion on such matters.

PROXY AUTHORIZATION VIA THE INTERNET OR BY TELEPHONE

We have established procedures whereby shareholders may authorize their proxies via the Internet or by telephone. You may also authorize your proxy by mail. Please see the proxy card accompanying this Proxy Statement for specific instructions on how to authorize your proxy by any of these methods.

Proxies authorized via the Internet or by telephone must be received by 11:59 P.M., New York City time, on Wednesday, May 21, 2014. Authorizing your proxy via the Internet or by telephone will not affect the right to revoke your proxy should you decide to do so.

The Internet and telephone proxy authorization procedures are designed to authenticate shareholders' identities and to allow shareholders to give their voting instructions and confirm that shareholders' instructions have been recorded properly. The Company has been advised that the Internet and telephone proxy authorization procedures that have been made available are consistent with the requirements of applicable law. Shareholders authorizing their proxies via the Internet or by telephone should understand that there may be costs associated with voting in these manners, such as charges for Internet access providers and telephone companies that must be borne by the shareholder.

ADVANCE NOTICE FOR STOCKHOLDER NOMINATIONS AND STOCKHOLDER PROPOSALS

The Bylaws of the Company provide that in order for a stockholder to nominate a candidate for election as a director at an Annual Meeting of Stockholders or propose business for consideration at such meeting, notice must be given to the Secretary of the Company no more than 150 days nor less than 120 days prior to the first anniversary of the preceding year's Annual Meeting. As a result, any notice given by or on behalf of a stockholder pursuant to the provisions of our Bylaws must be delivered to the Secretary of the Company at our office at 888 Seventh Avenue, New York, NY 10019 between December 22, 2014 and January 22, 2015.

Stockholders interested in presenting a proposal for inclusion in the Proxy Statement for the Company's Annual Meeting of Stockholders in 2015 may do so by following the procedures in Rule 14a-8 under the Securities Exchange Act of 1934. To be eligible for inclusion, stockholder proposals must be received at our office at 888 Seventh Avenue, New York, NY 10019, Attention: Secretary, not later than December 12, 2014.

ALEXANDER'S, INC.
CORPORATE GOVERNANCE GUIDELINES

I. Introduction

The Board of Directors of Alexander's, Inc. (the "Company"), has developed and adopted a set of corporate governance principles (the "Guidelines") to promote the functioning of the Board and its committees and to set forth a common set of expectations as to how the Board should perform its functions. These Guidelines are in addition to the Company's Certificate of Incorporation and Bylaws, in each case as amended.

II. Board Composition

The composition of the Board should balance the following goals:

- The size of the Board should facilitate substantive discussions of the whole Board in which each Director can participate meaningfully; and
- The composition of the Board should encompass a broad range of skills, expertise, industry knowledge, diversity of opinion and contacts relevant to the Company's business.

III. Selection of Chairman of the Board and Chief Executive Officer

The Board is free to select its Chairman and the Company's Chief Executive Officer in the manner it considers in the best interests of the Company at any given point in time. These positions may be filled by one individual or by two different individuals.

IV. Selection of Directors

Nominations. The Board is responsible for selecting the nominees for election to the Company's Board of Directors. The members of the Board may, in their discretion, work or otherwise consult with members of management of the Company in selecting nominees.

Criteria. The Board should select new nominees for the position of independent Director considering the following criteria:

- Personal qualities and characteristics, accomplishments and reputation in the business community;
- Current knowledge and contacts in the communities in which the Company does business and in the Company's industry or other industries relevant to the Company's business;
- Ability and willingness to commit adequate time to Board and committee matters;
- The fit of the individual's skills and personality with those of other Directors and potential Directors in building a Board that is effective, collegial and responsive to the needs of the Company; and
- Diversity of viewpoints, experience and other demographics.

Independence Standards. With regard to Directors who are to be "independent" under the Corporate Governance Rules (the "NYSE Rules") of the New York Stock Exchange, Inc. (the "NYSE"), to qualify as

independent under the NYSE Rules, the Board must affirmatively determine that a Director has no material relationship with the Company and/or its consolidated subsidiaries. The Board has adopted the following categorical standards to assist it in making determinations of independence. For purposes of these standards, references to the "Company" will mean Alexander's, Inc. and its consolidated subsidiaries.

The following relationships have been determined not to be material relationships that would categorically impair a Director's ability to qualify as independent:

1. Payments to and from other organizations. A Director's or his immediate family member's status as executive officer or employee of an organization that has made payments to the Company, or that has received payments from the Company, not in excess of the greater of:

- (i) \$1 million; or
- (ii) 2% of the other organization's consolidated gross revenues for the fiscal year in which the payments were made.

In the case where an organization has received payments that ultimately represent amounts due to the Company and such amounts are not due in respect of property or services from the Company, these payments will not be considered amounts paid to the Company for purposes of determining (i) and (ii) above so long as the organization does not retain any remuneration based upon such payments.

2. Beneficial ownership of the Company's equity securities. Beneficial ownership by a Director or his immediate family member of not more than 10% of the Company's equity securities. A Director or his immediate family member's position as an equity owner, director, executive officer or similar position with an organization that beneficially owns not more than 10% of the Company's equity securities.

3. Common ownership with the Company. Beneficial ownership by, directly or indirectly, a Director, either individually or with other Directors, of equity interests in an organization in which the Company also has an equity interest.

4. Directorships with, or beneficial ownership of, other organizations. A Director's or his immediate family member's interest in a relationship or transaction where the interest arises from either or both of:

- (i) his or his family member's position as a director with an organization doing business with the Company; or
- (ii) his or his family member's beneficial ownership in an organization doing business with the Company so long as the level of beneficial ownership in the organization is 25% or less, or less than the Company's beneficial ownership in such organization, whichever is greater.

5. Affiliations with charitable organizations. The affiliation of a Director or his immediate family member with a charitable organization that receives contributions from the Company, or an affiliate of the Company, so long as such contributions do not exceed for a particular fiscal year the greater of:

- (i) \$1 million; or
- (ii) 2% of the organization's consolidated gross revenues for that fiscal year.

6. Relationships with organizations to which the Company owes money. A Director's or his immediate family member's status as an executive officer or employee of an organization to which the Company was indebted at the end of the Company's most recent fiscal year so long as that total amount of indebtedness is not in excess of 5% of the Company's total consolidated assets.

7. Relationships with organizations that owe money to the Company. A Director's or his immediate family member's status as an executive officer or employee of an organization which is indebted to the Company at the end of the Company's most recent fiscal year so long as that total amount of indebtedness is not in excess of 15% of the organization's total consolidated assets.

8. Personal indebtedness to the Company. A Director's or his immediate family member's being indebted to the Company at any time since the beginning of the Company's most recently completed fiscal year so long as such amount does not exceed the greater of:

- (i) \$1 million; or
- (ii) 2% of the individual's net worth.

9. Leasing or retaining space from the Company. The leasing or retaining of space from the Company by:

- (i) a Director;
- (ii) a Director's immediate family member; or
- (iii) an affiliate of a Director or an affiliate of a Director's immediate family member;

so long as in each case the rental rate and other lease terms are at market rates and terms in the aggregate at the time the lease is entered into or, in the case of a non-contractual renewal, at the time of the renewal.

10. Other relationships that do not involve more than \$100,000. Any other relationship or transaction that is not covered by any of the categorical standards listed above and that do not involve payments of more than \$100,000 in the most recently completed fiscal year of the Company.

11. Personal relationships with management. A personal relationship between a Director or a Director's immediate family member with a member of the Company's management.

12. Partnership and co-investment relationships between or among Directors. A partnership or co-investment relationship between or among a Director or a Director's immediate family member and other members of the Company's Board of Directors, including management Directors, so long as the existence of the relationship has been previously disclosed in the Company's reports and/or Proxy Statements filed with the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

The fact that a particular transaction or relationship falls within one or more of the above categorical standards does not eliminate a Director's obligation to disclose the transaction or relationship to the Company, the Board of Directors or management as and when requested for public disclosure and other relevant purposes. For relationships that are either not covered by or do not satisfy the categorical standards above, the determination of whether the relationship is material and therefore whether the Director qualified as independent or not, may be made by the Board. The Company shall explain in the Annual Meeting Proxy Statement immediately following any such determination the basis for any determination that a relationship was immaterial despite the fact that it did not meet the foregoing categorical standards.

Invitation. The invitation to join the Board should be extended by the Board itself via the Chief Executive Officer of the Company.

Orientation and Continuing Education. Management, working with the Board, will provide an orientation process for new Directors, including background material on the Company, its business plan and its risk profile, and meetings with senior management. Members of the Board are required to undergo continuing education as recommended by the NYSE. In connection therewith, the Company will reimburse Directors for all reasonable costs associated with the attendance at or the completion of any continuing education program supported, offered or approved by the NYSE or approved by the Company.

V. Election Term

The Board does not believe it should establish term limits.

VI. Retirement of Directors

The Board believes it should not establish a mandatory retirement age.

VII. Board Meetings

The Board currently plans at least four meetings each year, with further meetings to occur (or action to be taken by unanimous written consent) at the discretion of the Board. The meetings will usually consist of committee meetings and the Board meeting.

The agenda for each Board meeting will be established by the Chief Executive Officer, with assistance of the Company's Secretary and internal corporation counsel. For the purposes hereof, the terms Secretary and internal corporate counsel will include anyone who acts in such capacity. Any Board member may suggest the inclusion of additional subjects on the agenda. Management will seek to provide to all Directors an agenda and appropriate materials in advance of meetings, although the Board recognizes that this will not always be consistent with the timing of transactions and the operations of the business and that in certain cases it may not be possible.

Materials presented to the Board or its committees should be as concise as possible, while still providing the desired information needed for the Directors to make an informed judgment.

VIII. Executive Sessions

To ensure free and open discussion and communication among the non-management Directors, the non-management Directors will meet in executive sessions periodically, with no members of management present. Non-management Directors who are not independent under the NYSE Rules may participate in these executive sessions, but independent Directors should meet separately in executive session at least once per year.

The participants in any executive sessions will select by majority vote of those attending a presiding Director for such sessions or any such session.

In order that interested parties may be able to make their concerns known to the non-management Directors, the Company shall disclose a method for such parties to communicate directly with the presiding Director or the non-management Directors as a group. For the purposes hereof, communication through a third-party such as an external lawyer or a third-party vendor who relays information to non-management members of the Board will be considered direct.

IX. The Committees of the Board

The Company shall have at least the committees required by the NYSE Rules. Currently, these are the Audit Committee and the Compensation Committee. Each of these committees must have a written charter satisfying the rules of the NYSE.

All Directors, whether members of a committee or not, are invited to make suggestions to a committee chair for additions to the agenda of his or her committee or to request that an item from a committee agenda be considered by the Board. Each committee chair will give a periodic report of his or her committee's activities to the Board.

Each of the Audit Committee and the Compensation Committee shall be composed of at least such number of Directors as may be required by the NYSE Rules who the Board has determined are "independent" under the NYSE Rules. Any additional qualifications for the members of each committee shall be set out in the respective committees' charters. A Director may serve on more than one committee for which he or she qualifies.

Each committee may take any action in a meeting of the full Board, and actions of the Board, including the approval of such actions by a majority of the members of the committee, will be deemed to be actions of that committee. In such circumstance only the votes cast by members of the committee shall be counted in determining the outcome of the vote on matters upon which the committee acts.

X. Management Succession

At least annually, the Board shall review and concur in a succession plan, developed by management, addressing the policies and principles for selecting a successor to the CEO, both in an emergency situation and in the ordinary course of business. The succession plan should include an assessment of the experience, performance, skills and planned career paths for possible successors to the CEO.

XI. Executive Compensation

Evaluating and Approving Salary for the CEO. The Board, acting through the Compensation Committee, evaluates the performance of the CEO and the Company against the Company's goals and objectives and approves the compensation level of the CEO.

Evaluating and Approving the Compensation of Management. The Board, acting through the Compensation Committee, evaluates and approves the proposals for overall compensation policies applicable to executive officers.

XII. Board Compensation

The Board should conduct a review at least once every three years of the components and amount of Board compensation in relation to other similarly situated companies. Board compensation should be consistent with market practices but should not be set at a level that would call into question the Board's objectivity.

XIII. Expectations of Directors

The business and affairs of the Company shall be managed under the direction of the Board in accordance with Delaware law. In performing his or her duties, the primary responsibility of a Director is to

exercise his or her business judgment in the best interests of the Company. The Board has developed a number of specific expectations of Directors to promote the discharge of this responsibility and the efficient conduct of the Board's business.

Commitment and Attendance. All independent and other Directors should make every effort to attend meetings of the Board and meetings of committees of which they are members. Members may attend by telephone or similar communications equipment if all persons participating in the meeting can hear each other at the same time. The Board may act by unanimous written consent in lieu of a meeting.

Participation in Meetings. Each Director should be sufficiently familiar with the business of the Company, including its financial statements and capital structure, and the risks and competition it faces, to facilitate active and effective participation in the deliberations of the Board and of each committee on which he or she serves. Upon request, management will make appropriate personnel available to answer any questions a Director may have about any aspect of the Company's business. Directors should also review the materials provided by management and advisors in advance of the meetings of the Board and its committees and should arrive prepared to discuss the issues presented.

Loyalty and Ethics. In their roles as Directors, all Directors owe a duty of loyalty to the Company. This duty of loyalty mandates that the best interests of the Company take precedence over any interests possessed by a Director.

The Company has adopted a Code of Business Conduct and Ethics, including a compliance program to enforce the Code. Certain portions of the Code deal with activities of Directors, particularly with respect to transactions in the securities of the Company, potential conflicts of interest, the taking of corporate opportunities for personal use, and competing with the Company. Directors should be familiar with the Code's provisions in these areas and should consult with any independent member of the Board or the Company's internal corporation counsel in the event of any concerns. The Board is ultimately responsible for applying the Code to specific situations and has the authority to interpret the Code in any particular situation.

Other Directorships. The Company values the experience Directors bring from other boards on which they serve, but recognizes that those boards may also present demands on a Director's time and availability and may present conflicts or legal issues. Directors should advise the Chairman of the Board before accepting membership on other boards of directors or other significant commitments involving affiliation with other businesses or governmental units.

Contact with Management. All Directors are invited to contact the CEO at any time to discuss any aspect of the Company's business. Directors will also have complete access to other members of management. The Board expects that there will be frequent opportunities for Directors to meet with the CEO and other members of management in Board and committee meetings and in other formal or informal settings.

Further, the Board encourages management to, from time to time, bring managers into Board meetings who: (a) can provide additional insight into the items being discussed because of personal involvement and substantial knowledge in those areas, and/or (b) are managers with future potential that the senior management believes should be given exposure to the Board.

Contact with Other Constituencies. It is important that the Company speak to employees and outside constituencies with a single voice, and that management serve as the primary spokesperson.

Confidentiality. The proceedings and deliberations of the Board and its committees are confidential. Each Director shall maintain the confidentiality of information received in connection with his or her service as a Director.

XIV. Evaluating Board Performance

The Board, acting either as a group or through one or more designated members, should conduct a self-evaluation at least annually to determine whether it is functioning effectively. The Board, acting either as a group or through one or more designated members, should periodically consider the mix of skills and experience that Directors bring to the Board to assess whether the Board has the necessary tools to perform its oversight function effectively.

Each committee of the Board should conduct a self-evaluation at least annually and report the results to the Board. Each committee's evaluation must compare the performance of the committee with the requirements of its written charter, if any.

XV. Reliance on Management and Outside Advice

In performing its functions, the Board is entitled to rely on the advice, reports and opinions of management, counsel, accountants, auditors and other expert advisors. The Board shall have the authority to retain and approve the fees and retention terms of its outside advisors.
